Your request for water service by the Appleby Water Supply Corporation has been received. In order to complete the process there are a number of items which must be taken care of. Included below is a checklist to be followed. When the proper forms are completed, signed and returned along with the appropriate fees, corporation personnel will determine the location of the water meter and determine whether the installation is standard or non-standard (requiring road bore or additional line installation).

1. Complete the Service Application and Agreement. Please note that the agreement gives the Corporation access to the Member's property for the purpose of inspecting for possible cross connections and other unacceptable plumbing practices.

2. Include a check or money-order payable to Appleby Water Supply Corporation.

Fee Schedule:

New Installation (no tap or meter in place)

\$ 200.00 Membership fee
